Ref: Govt. Letter No. E-548585/2026/203 dated 29.09.2026

Sir/ Madam,

With reference to the subject cited above, I am directed to inform that the application process under Mukhya Mantrir Nijut Moina Aasoni (MMNMA) and Mukhya Mantrir Nijut Babu Aasoni (MMNBA) for the Academic Year 2026–27 shall be reopened with effect from 29th September 2026 and shall remain active till 25th October 2026 to facilitate the inclusion of the remaining eligible students.

It may be noted here that all newly added students who are found eligible under MMNMA/MMNBA shall receive benefits under the respective schemes from November 2026 onwards only, subject to completion of the Aadhaar authentication and fulfilment of the prescribed eligibility conditions. Such newly eligible applicants shall not be entitled to MMNMA/MMNBA benefits for the month of October 2026.

It is further reiterated that successful Aadhaar seeding of the student's bank account is mandatory for receiving benefits under MMNMA and MMNBA from November 2026 onwards. Students whose bank accounts have not been successfully Aadhaar-seeded will not be able to receive benefits under the schemes. All Institutions are, therefore, requested to clearly inform the students concerned and ensure that Aadhaar seeding of their bank accounts is completed at the earliest.

It has also been observed during scrutiny of applications already verified and submitted by the Institutions that certain discrepancies and errors exist in the verified data. In this connection, an online meeting with the Heads of Institutions and the Institutional Nodal Officers of MMNMA and MMNBA will be held on 1st October, 2026 and the meeting time & link will be shared shortly, during which the discrepancies observed in the verification process will be discussed. The concerned Heads of Institutions and Nodal Officers are, therefore, requested to attend the said meeting and take careful note of the issues highlighted. Institutions shall ensure that the necessary corrections are carried out in the applications and that, similar errors are not repeated during subsequent verification and submission of applications.

All concerned Higher Educational Institutions are hereby requested to resume the application and institutional verification process from 29th September 2026 onwards and ensure that verification of all fresh applications, as well as corrections to existing applications, is completed on or before 25th October 2026 without fail.

This is for your kind information and necessary action.

Yours faithfully

29/9/26
